

Shoe Drive Information Sheet

St. Maurice Parish is supporting the "Soles 4 Souls" shoe drive begun by Sts. John & Paul parish in Sewickley. We are asking you to donate new or gently worn shoes. These shoes will be sent to Honduras where they will be given to persons in extreme poverty. These recipients are taught to be entrepreneurs through a micro-enterprise program where they learn how to clean, repair, and sell shoes. *ANY style of shoe can be donated, including high heels and children's shoes.*

Sts. John & Paul's missionaries will be traveling to Honduras in June to distribute the shoes. Please help support this mission, which will allow children to attend schools and avoid disease. Please use the form below to help us keep track of the number of **pairs** collected.
